DISCOVER URBAN PLANNING AT UCLA LUSKIN

Planners change the world – by shaping cities and regions, and lives and livelihoods. Affordable housing, good jobs, clean air and water, safe parks, lively culture, and vibrant streets are all on a planners’ to-do list. As a UCLA Luskin Master’s in Urban and Regional Planning student, you will be trained in critical thinking (economic analysis, law, statistics, history, and regional analysis), and specific skills (graphics, effective writing, oral communication). Our graduates work in public, nonprofit, and private sector agencies, including:

- Los Angeles County Department of Urban and Regional Planning
- Los Angeles Alliance for a New Economy
- California Air Resources Board
- Southern California Edison
- Fehr and Peers
- Mainstreet Architects and Planners
- Melendrez
