ENROLLMENT, CHANGE, CANCELLATION OR OPT OUT—EMPLOYEES ONLY HEALTH AND WELFARE PLANS

UPAY 850 (R10/15) University of California Human Resources

INSTRUCTIONS

Use this form to enroll in, change, de-enroll/cancel, or opt out of insurance and/or flexible spending account (FSA) plans for yourself and/or your eligible family members. For complete information on eligibility, effective dates, and allowable actions, see *A Complete Guide to Your UC Health Benefits*, the *Health Flexible Spending Account Summary Plan Description*, and the *DepCare Flexible Spending Account Summary Plan Description*, available on the UCnet website (ucnet.universityofcalifornia.edu) or from your department or Benefits Office.

For all actions, complete Section 1, "Personal Information" and Section 8, "Signature." Complete Section 2 only if you are opting out of coverage for the reasons listed in that section. If you are enrolling or de-enrolling yourself or a family member or making some other change, complete Section 3; then complete Sections 4, 5, 6 and/or 7, as applicable. If the action you are taking is to enroll or de-enroll a family member or change plans, be sure to list the eligible family member(s) you wish to enroll or de-enroll, or for whom you are changing personal data. Current enrollments will remain in effect until you notify UC of a change, subject to payroll deadlines, except that if you wish to continue your enrollment in the Health and/or DepCare Flexible Spending Accounts, you must re-enroll each year during Open Enrollment. Please note that you may only enroll your eligible family members in the plans in which you are enrolled.

To name your beneficiaries for the Supplemental Life and AD&D plans, go online (ucnet.universityofcalifornia.edu; select "AYS Online" and "My Beneficiaries") or use form UBEN 116. You are automatically the beneficiary of a family member under the Expanded Dependent Life and/or AD&D insurance plans. To designate a different beneficiary, use form UBEN 119.

Blue Shield Health Savings Plan

By enrolling into the Blue Shield Health Savings Plan, a HealthEquity Health Savings Account (HSA) will automatically be opened on your behalf and the UC contribution will be deposited.

To participate in the Blue Shield Health Savings Plan, you must meet the following eligibility criteria:

- You cannot be enrolled in the Health Savings Plan and a general-purpose Health Flexible Spending Account (Health FSA) in the same calendar year.
- You cannot be covered by any other medical plan, including Medicare. (Exception: Insurance for a specified disease or illness, e.g. cancer, is permitted. See IRS Publication 969.)
- You cannot be claimed as a dependent on another individual's tax return.
- · You must have a valid U.S. address.
- If you are now enrolled in any general-purpose Health FSA, and you are using this form to
 enroll in the Health Savings Plan, effective January 1 of next year, it is your responsibility
 to make sure that you have a \$0 balance in your Health FSA account by December 31 of
 the current year. UC Health FSA is general-purpose health FSA.

HEALTH AND DEPCARE FSA

The charts below describe the mid-year election actions that are allowed under the Health Flexible Spending Account (Health FSA) and Dependent Care Flexible Spending Account (DepCare FSA). If you are enrolled in the Health FSA and going on an unpaid family medical leave (FML), you must complete Section 6a. Before the leave begins, you must either cancel coverage, or select one of the two FML "Continue" options.

PARTICIPATION TERMS AND CONDITIONS

Your Social Security number, and that of your enrolled family members, is required for purposes of benefit plan administration, for financial reporting, to verify your identity, and for legally required reporting purposes all in compliance with federal and state laws.

If you are are confirmed as eligible for participation in UC-sponsored plans, you are subject to the following terms and conditions:

- 1. With the exception of benefits provided or administered by Blue Shield of California and Optum Behavioral Health, UC-sponsored medical plans require resolution of disputes through arbitration. With regard to each plan, IT IS UNDERSTOOD THAT ANY DISPUTE AS TO MEDICAL MALPRACTICE—THAT IS, AS TO WHETHER ANY MEDICAL SERVICES RENDERED UNDER THE CONTRACT WERE UNNECESSARY OR UNAUTHORIZED OR WERE IMPROPERLY, NEGLIGENTLY OR INCOMPETENTLY RENDERED—WILL BE DETERMINED BY SUBMISSION TO ARBITRATION AS PROVIDED BY CALIFORNIA LAW AND NOT BY A LAWSUIT OR RESORT TO COURT PROCESS, EXCEPT AS CALIFORNIA LAW PROVIDES FOR JUDICIAL REVIEW OF ARBITRATION PROCEEDINGS. BOTH PARTIES TO THE CONTRACT, BY ENTERING INTO IT, ARE GIVING UP THEIR CONSTITUTIONAL RIGHT TO HAVE ANY SUCH DISPUTE DECIDED IN A COURT OF LAW BEFORE A JURY AND INSTEAD ARE ACCEPTING THE USE OF ARBITRATION. For more information about each plan's arbitration provision please see the appropriate plan booklet or call the plan.
- 2. UC and UC's health and welfare plan vendors comply with federal/state regulations related to the privacy of personal/confidential information including the Health Insurance Portability and Accountability Act of 1996 (HIPAA) as applicable. To fulfill their contracted responsibilities and services health plans and associated service vendors may share UC member health information between and among each other within the limits established by HIPAA and federal/state regulations for purposes of health care operations, payment, and treatment. A member's requested restriction on the sharing of specified protected health information for health care operations, payment, and treatment will be honored as required by HIPAA.
- 3. By making an election with your written or electronic signature you are authorizing the University to take deductions from your earnings (employees) to cover your contributions toward the monthly costs (if any) for the plans you have chosen for yourself and your eligible family members. You are also authorizing UC to transmit your enrollment demographic data to the plans in which you are enrolled.
- 4. You are subject to all terms and conditions of the UC-sponsored plans in which you are enrolled as stated in the plan booklets and the University of California Group Insurance Regulations.
- 5. By enrolling individuals as your family members you are certifying that those individuals are eligible for coverage based on the definitions and rules specified in the University of California Group Insurance Regulations and described in UC health and

- welfare plan eligibility publications. You are also certifying under penalty of perjury that all the information you provide regarding the individuals you enroll is true to the best of your knowledge.
- 6. If you enroll individuals as your family members you must provide, upon request, documentation verifying that those individuals are eligible for coverage. The carrier may also require documentation verifying eligibility. Verification documentation includes, but is not limited to, marriage or birth certificates, domestic partner verification, adoption papers, tax records and the like.
- 7. If your enrolled family member loses eligibility for UC-sponsored coverage (for example because of divorce or loss of eligible child status) you must notify UC by de-enrolling that individual. If you wish to make a permitted change in your health or flexible spending account coverage you must notify UC within 31 days of the eligibility loss event; for purposes of COBRA, eligibility notice must be provided to UC within 60 days of the family member's loss of coverage. However, regardless of the timing of notice to UC, coverage for the ineligible family member will end on the last day of the month in which the eligibility loss event occurs (subject to any continued coverage option available and elected.)
- 8. Making false statements about satisfying eligibility criteria, failing to timely notify the University of a family member's loss of eligibility, or failing to provide verification documentation when requested may lead to de-enrollment of the affected family members. Employees/retirees may also be subject to disciplinary action and de-enrollment from health benefits and may be responsible for any UC-paid premiums due to misuse of plan.
- 9. Under current state and federal tax laws, the value of the contribution UC makes toward the cost of health coverage provided to domestic partners and certain other family members who are not "your dependents" under state and federal tax rules may be considered imputed income that will be subject to income taxes, FICA (Social Security and Medicare), and any other required payroll taxes. (Coverage provided to California registered domestic partners is not subject to imputed income for California state tax purposes.)
- 10.If you specifically ask UC representatives to intercede on your behalf with your insurance plan, University representatives will request the minimum necessary protected health information required to assist you with your problem. If more protected health information is needed to solve your problem in compliance with state laws and federal privacy laws (including HIPAA), you may be required to sign an authorization allowing UC to provide the health plan with relevant protected health information or authorizing the health plan to release such information to the University representative.
- 11. Actions you take during Open Enrollment will be effective the following January 1, unless otherwise stated—provided all electronic and form transactions have been completed properly and submitted timely.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA) NOTIFICATION FOR MEDICAL PROGRAM ELIGIBILITY

If you are declining enrollment for yourself or your eligible family members because of other medical insurance or group medical plan coverage, you may be able to enroll yourself and your eligible family members* in a UC- sponsored medical plan if you or your family members lose eligibility for that other coverage (or if the employer stops contributing toward the other coverage for you or your family members). You must request enrollment within 31 days after you or your family member's other medical coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a newly eligible family member as a result of marriage or domestic partnership, birth, adoption, or placement for adoption, you may be eligible to enroll your newly eligible family member. If you are an employee you may be eligible to enroll yourself, in addition to your eligible family member(s). You must request enrollment within 31 days after the marriage or partnership, birth, adoption or placement for adoption.

If you decline enrollment for yourself or for an eligible family member because of coverage under Medicaid (in California, Medi-Cal) or under a state children's health insurance program (CHIP) you may be able to enroll yourself and your eligible family members in a UC-sponsored plan if you or your family members lose eligibility for that coverage. You must request enrollment within 60 days after your coverage or your family members' coverage ends under Medicaid or CHIP.

Also, if you are eligible for health coverage from UC but cannot afford the premiums, some states have premium assistance programs that can help pay for coverage. For details, contact the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services at www.cms.gov or 1-877-267-2323 ext. 61565.

If you do not enroll yourself and/or your family member(s) in medical coverage within the 31 days when first eligible, within a special enrollment period described above or within an open enrollment period, you may be eligible to enroll at a later date. However, even if eligible, each affected individual will need to complete a waiting period of 90 consecutive calendar days before medical coverage becomes effective and employee premiums may need to be paid on an after-tax basis (retiree premiums are always paid after-tax). Otherwise, you/they can enroll during the next Open Enrollment Period.

To request special enrollment or obtain more information, employees should contact their local Benefits Office and retirees should call the UC Retirement Administration Service Center (1-800-888-8267).

Note: If you are enrolled in a UC medical plan you may be able to change medical plans if:

- you acquire a newly eligible family member; or
- your eligible family member loses other coverage.

In either case you must request enrollment within 31 days of the occurrence.

*To be eligible for plan membership, you and your family members must meet all UC employee or retiree enrollment and eligibility requirements. As a condition of coverage, all plan members are subject to eligibility verification by the University and/or insurance carriers, as described above in the participation terms and conditions.
