Resetting Password for Office 365

If you forgot your password, you can email the Luskin IT Help Desk at itsupport@luskin.ucla.edu to request a password reset.

If you would like to change or update your password, you can visit the SharePoint site to do a manual reset using your email login ID credentials as shown below.

https://sharepoint.em.ucla.edu/sites/changepassword

Please visit our knowledge base at luskin.ucla.edu/tutorials to find information on how to setup your email account on your Microsoft Office Outlook (for Mac or PC) or mobile device that supports Microsoft Exchange Servers.
