RESEARCH EXPERIENCE

- 2019-2020 **Executive Director, Center for Human Potential and Public Policy | Behavioral Insights and Parenting Lab, The University of Chicago**
Responsibilities: Provided strategic leadership -- developed long-term strategy, set organizational priorities in coordination with faculty co-directors, and oversaw operational infrastructure. Oversaw the daily operations and programming for the Center as well as the Behavioral Insights and Parenting Lab (BIP Lab). Led a team of project managers that completed 4 large-scale RCTs with 3 studies in progress. Directed pre- and post-award activities: fundraising, research design and implementation, and dissemination efforts. Managed all aspects of the financial operation including forecasting, budgeting, and reconciliation. Liaised with university administration, private foundations, and organizations interested in scaling our research, such as the Governor's Office of Illinois, City of Chicago Mayor's Office, and NGOs.
- 2017-2019 **Director of Operations & Research Initiatives, Center for Human Potential and Public Policy | Behavioral Insights and Parenting Lab, The University of Chicago**
Responsibilities: Provided operational leadership -- managed long-term strategy and led operations. Managed fundraising, grants administration, and funder relationships. Developed and implemented operational procedures. Led conversation and decision process for the design and implementation of studies. Oversaw staffing for a 50-member research team, the recruitment pipeline and retention of 100+ research sites, and technology management. Managed data collection, management, and security.
- 2014-2017 **Associate Director, Center for Human Potential and Public Policy | Behavioral Insights and Parenting Lab, The University of Chicago**
Responsibilities: Collaborated with faculty director on CHPPP's vision and objectives. Managed budget, staffing, programming, and communications. Built BIP Lab infrastructure to support communications, financial management, staffing, and

data collection, management, and security. Managed design process and implementation of field experiments. Prepared presentations for audiences ranging from academics to early childhood practitioners to policymakers.

- 2013-2014 **Research Assistant, Center for Human Potential and Public Policy, The University of Chicago**
Responsibilities: Conducted literature reviews, drafted data collection protocol, recruited participants, and pilot tested survey instruments and other research protocol.

PUBLIC POLICY/ADMINISTRATION EXPERIENCE

- 2010-2012 **Criminal Justice Program Officer, Arizona Criminal Justice Commission**
Responsibilities: Administered \$20M in state and federal funds. Co-authored the state's strategy for the Edward Byrne Memorial Justice Assistance Grant and the Residential Abuse Treatment Grant Program. Facilitated full grant lifecycle: authored program reports, evaluated applications, trained subrecipient agencies, reviewed grant-related progress, and conducted site audits.
- 2009-2010 **Child Welfare Program Officer, Office of Governor Janice Brewer**
Responsibilities: Directed four grants issued by United States DOJ, DOE, and DHHS to fund juvenile delinquency prevention programs and child welfare systems improvement initiatives. Oversaw program implementation for 34 subrecipient organizations. Provided technical assistance to county-level multi-disciplinary teams responsible for forensic interviews of suspected victims of child maltreatment. Served as administrator for the Children's Justice Task Force and Juvenile Justice Commission.
- 2007-2009 **Program Officer for the Arizona Parents Commission on Drug Education & Prevention, Office of Governor Janet Napolitano**
Responsibilities: Collaborated with commissioners to generate strategies for statewide substance abuse prevention efforts. Distributed and managed \$4.2M in annual state funds on behalf of governor-appointed commissioners. Prepared funding recommendations, generated contracts and grant agreements, developed performance measurement tool, monitored subrecipient progress, and drafted governor's talking points.

SOCIAL SERVICES EXPERIENCE

- 2006-2007 **Intervention Specialist, Crisis Response Unit, Chandler Fire Department**
Responsibilities: Provided crisis intervention and victim assistance services, working 20-hour shifts in conjunction with emergency services and law enforcement units. Supported families navigating crises such as drowning, homicide, suicide, assault, serious injuries, and family violence.
- 2005-2006 **Child Welfare Consultant, Family Preservation & Reunification Program, Jewish Family & Children's Services**
Responsibilities: Provided short-term home-based case management services to assist families in crisis. Worked in conjunction with Child Protective Services to increase child safety and family stability.

- 2003-2004 **School-Based Social Work Intern, Washington Elementary & Phoenix Union High School Districts**
Responsibilities: Delivered on-premises counseling and case management services. Implemented programs designed to improve educational and socioemotional outcomes for students.
