How to login/launch ArcGIS Pro

Double-click on the ArcGIS Pro icon on the desktop.

When the ArcGIS Sign in screen appears: CLICK ON SIGN IN USING BROWSER (bottom right)

If you get the following message: CLICK YES
When your BROWSER launches CLICK ON YOUR ARCGIS ORGANIZATION’S URL

Type GISUCLA in the box. CLICK ON REMEMBER THIS URL then CLICK CONTINUE
Now, click on the BOX marked [UCLA GIS Online at UCLA]

Sign in using your UCLA LOGON credentials/SSO information.
Once logged in, the ArcGIS PRO application will launch.

Sometimes, if the SSO login takes too long; you will get an error message about not being able to connect. Click on START OVER and just log in again.
