

JUAN C. JAUREGUI

EDUCATION

- 2021-Present PhD in Social Welfare, UCLA Luskin School of Public Affairs
- 2018-2021 MPH in Health Behavior & Health Education, University of Michigan School of Public Health
- 2018- 2021 MSW in Social Policy & Evaluation, University of Michigan School of Social Work
- 2013-2017 B.S. in Psychobiology & Spanish minor, University of California, Los Angeles

FUNDED PROJECTS

- 01/2021-06/2021 **Project Lead**
LGBTQ+ Project Grant
Mental Health Experiences of Black Gay and Bisexual Men and Transgender Women in House and Ball Communities in Chicago and Philadelphia
Award: \$800
- 02/2020-06/2020 **Project Lead**
Gadawski Callam LGBTQ Project-Based Grant
Curriculum Development for LGBTQ+ Cultural Sensitivity in Mental Health Care
Award: \$3,000

RESEARCH EXPERIENCE

- 01/2022-08/2023 **Research Fellow**, University of Washington at St. Louis
Principal Investigators: Dr. Patricia Cavazos, PhD
Responsibilities: Participated in research training series on global mental health and community-based participatory research via Zoom and in-person in Uganda at the Forum on Child and Adolescent Global Health Research and Capacity Building Program; wrote a mixed methods research article on sexual and gender minority teens preferences on parental involvement in mHealth interventions
- 01/2022-07/2023 **International Research Consultant**, The Trevor Project
Principal Investigators: Dr. Ashley Taylor, PhD
Responsibilities: Conducted literature reviews, contacted and facilitated meetings with international collaborators in English and Spanish, provided feedback on translated research documents, prepared ethics review documents, programmed survey into Qualtrics, monitored recruitment, and attended research-related meetings/supervisor check-ins for Trevor's International LGBTQ Youth Mental Health Survey
- 06/2021-06/2022 **Graduate Student Researcher**, UCLA Department of Social Welfare
Principal Investigators: Ian W. Holloway, PhD, LCSW, MPH
Responsibilities: Served as an intervention counselor for a project focused on substance use and sexual risk reduction among young men who have sex with men; completed an independent project examining comfort attending social and sexual venues during the COVID-19 pandemic among a global dataset of sexual minority men; and completed independent project examining correlates of cannabis use among sexual and gender minority individuals
- 09/2018-05/2022 **Graduate Research Assistant**, University of Michigan School of Public Health
Principal Investigators: Gary W. Harper, PhD, MPH
Responsibilities: Developed a continuing education training curriculum for mental health professionals; transcribed, quality checked, and coded qualitative interviews with gay and bisexual men in Kenya; created culturally-tailored mental health education materials for global LGBT research partners; developed several policy & advocacy products which include letters in response to notices of proposed rulemaking and policy fact sheets on pertinent issues related to SGM youth; conducted an independent project in R looking at experiences of LGBT violence and mental health outcomes among LGBT people in Kenya

- 03/2021-04/2022 **Research Assistant**, Wayne State University School of Medicine
Principal Investigators: Hayley S. Thompson, PhD, MS
Responsibilities: Worked with the Office of Cancer Health Equity & Community Engagement on report and manuscript writing related to health inequities among Black cancer survivors and their caregivers
- 01/2020-12/2020 **Social Work Intern**, Heinz C. Prechter Bipolar Research Program at Michigan Medicine
Principal Investigators: Melvin McInnis, MD
Responsibilities: Participated in weekly clinical workshops, a series of 10-week mentorship courses on different psychotherapy treatment modalities, and a 6-week clinical skills training series; conducted follow-up visits as part of a longitudinal bipolar research study; coordinated, developed, and facilitated a continuing education training for mental health professionals; conducted an independent project in R looking at clinical outcomes for people with bipolar disorder who are LGBTQ+; wrote and submitted a grant proposal for a pilot study entitled “Social Determinants of Health: Examining Stigma, Discrimination, & Resilience in Bipolar Disorder”
- 09/2019-12/2019 **Social Work Intern**, Child & Adolescent Data Lab at University of Michigan School of Social Work
Principal Investigators: Joseph P. Ryan, PhD, MSW; Brian E. Perron, PhD
Responsibilities: Contributed to a policy evaluation manuscript specific to the Michigan Young Adult Voluntary Foster Care Act, participated in meetings with key policy stakeholders, observed state legislative committee hearings, and contributed to the final report on research findings for children at greatest risk for maltreatment while in care
- 01/2018-08/2018 **Staff Research Associate**, UCLA Semel Institute
Principal Investigators: Mary Jane Rotheram-Borus, PhD; Sung-Jae Lee, PhD; Dallas Swendeman, PhD, MPH
Responsibilities: Duties included carrying out rapid HIV testing and counseling, participant recruitment, retention, and assessment for the UCLA ATN cooperative agreement and linked research projects involving HIV & STI prevention with SGM and homeless youth aged 12-24 years old recruited from community-based organizations in Los Angeles County
- 08/2017-11/2017 **Research Assistant**, UCLA David Geffen School of Medicine
Principal Investigators: Kelika Konda, PhD
Responsibilities: Translated study materials to Spanish, addressed and responded to IRB reviewer comments; prepared grant submission documents; developed a formative research protocol and surveys on pre-exposure prophylaxis for healthcare providers, men who have sex with men (MSM), and trans women; received Stata software training; piloted an online intervention for a sexual agreement among male couples, and participated in weekly research meetings; position was based in Lima, Peru
- 03/2016-07/2017 **Research Assistant**, UCLA Department of Social Welfare
Principal Investigators: Ian W. Holloway, PhD, LCSW, MPH
Responsibilities: Data coding for a research study on male sex workers in the Dominican Republic; translated study materials into Spanish and assisted in venue-based recruitment for a study that sought to understand patient awareness on the meningococcal vaccination among MSM; adapted intervention sessions for an app-based intervention for HIV positive African-American MSM; transcribed interviews for a research study in New York on experiences of MSM pre-exposure prophylaxis-users; performed multiple literature reviews and formatted papers for publication in scholarly journals
- 01/2017-06/2017 **Research Scholar**, UCLA Psychology Research Opportunity Programs
Principal Investigators: Gail E. Wyatt, PhD; Tamra B. Loeb, PhD
Responsibilities: Interviewed participants for a study that sought to understand how past life experiences that are traumatic or difficult may be related to mental and physical health later in life; conducted an independent research project on the effects of HIV stigma on the psychological adjustment of men who have sex with men and women

- 03/2015-06/2015 **Research Assistant**, UCLA Integrated Substance Abuse Program
Principal Investigators: Suzette Glasner-Edwards, PhD
Responsibilities: Conducted urinalyses, facilitated in-person follow up interviews, and collected weekly feedback through phone interviews in a research study for HIV-positive individuals who struggled with drug substance abuse
- 10/2014-06/2015 **Research Scholar**, UCLA Grand Challenges Undergraduate Research Program
Principal Investigators: Eui-Sung Yi, M.Arch
Responsibilities: Conducted an independent research project on the effectiveness of global water policies and water technologies; conducted a group project on water conservation by testing the effectiveness of installing shower timers in a residential hall on campus
- 01/2015-03/2015 **General Member**, Engineers Without Borders at UCLA
Responsibilities: Conducted and presented literature reviews at weekly research meetings to aid in a preliminary project design for a rainwater catchment system in a community in Peru

LEADERSHIP & VOLUNTEER EXPERIENCE

- 06/2021-Present **Apartment Resident Assistant**, UCLA Residential Life
Responsibilities: Working to help foster a sense of community in university housing designated for graduate students. Duties involve conflict mediation, event planning to address needs within the community, and serving as an on-call for any emergency or crisis response
- 02/2019-06/2021 **Resident Advisor**, University of Michigan Residence Education
Responsibilities: Fostered a sense of community in university housing designated for graduate students and graduate students with families. Duties involved conflict mediation, event planning to address needs within the community, and serving as an on-call for any emergency or crisis response
- 02/2019-09/2019 **Digital Crisis Worker**, The Trevor Project
Responsibilities: Received 40+ hours of training in digital crisis intervention and suicide prevention; spoke with youth in crisis through TrevorChat & TrevorText platforms and filed suspected child abuse reports to Child Protective Services when needed
- 05/2016-08/2018 **Lifeline Crisis Worker**, The Trevor Project
Responsibilities: Received 40+ hours of training in crisis intervention and suicide prevention; answered over 500 phone calls on the lifeline for people in crisis and filed suspected child abuse reports to Child Protective Services when needed
- 03/2016-06/2017 **Vice President**, Flying Samaritans at UCLA
Responsibilities: Recruited and maintained communications with medical providers, served as a Spanish-speaking liaison to community contacts in Mexico, and managed other administrative tasks involved in relocating the clinic to a more centralized location in the community
- 03/2014-03/2016 **General Member**, Flying Samaritans at UCLA
Responsibilities: Served as a Spanish translator in patient intake rooms and pharmacy
- 08/2015-06/2017 **Resident Assistant**, UCLA Residential Life
Responsibilities: Served on-call for emergency and crisis response in community of about 900 residents; trained in fire suppression, basic first aid, and earthquake preparedness; trained to assist EMS, University Police, Campus Safety Officers, and University Fire Department; trained in peer counseling, conflict mediation, and suicide prevention; planned and executed over 40 programs for residents related to the UCLA Residential Life Core 5 principles
- 08/2014-06/2015 **Team Green Coordinator**, UCLA Residential Life
Responsibilities: Planned and executed programs to increase knowledge of sustainable living, including taking part in a nationwide energy saving competition and launching a weekly challenge for residents to make sustainable choices in the #OnWednesdaysWeWearGreen campaign
